2009 Track and Field Presentation Evening

Dear Member

The 2009 Track and Field Presentation Evening will take place in the Function room at the Assembly Rooms, Market Place, Boston on Friday November 27th 2009 7pm for 7.30 start. Following the awards there will be some light entertainment provided by club members, buffet supper and music to finish off the evening.

Following our successful 2009 Season there are a number of awards to present. There is a cost of five pounds per person for a ticket to help offset the cost of the facility. Also any help with items for the finger buffet will be very much appreciated.

The awards will be presented by PAUL DICKENSON leading BBC Commentator on Track and Field Athletics (The voice of athletics) as well as contributing to a host of other BBC programmes.

Paul was an athlete for 10 years and was a British and Commonwealth record holder for the Hammer. He competed in the 1976 and 1980 Olympics, and was also captain of the Great Britain and England athletics teams.

Tickets for the presentation evening are available from myself and we all hope you will want to attend, bring your family and friends and have a very good evening out.

Kindest regards

Nanette
