

Morocco 2012 Flights v1.02

If you wish to go to Morocco in January then now is the best time to book, the later you leave it the more expensive it becomes. It is cheaper if you can manage with just hand luggage. There are options for 15Kg & 20Kg of hold luggage or perhaps you can share a hold case with someone, which is what I am doing.

When you have booked your flight please let me know so I can start to make arrangements with the hotel. Do you want a single or a twin room? Do you want to share with someone in particular?

Dennis has a preference for the long break but at the moment no-one else has stated an interest. If you are still not sure please speak to Dennis urgently. It is expensive to change flights after booking them.

If you are coming on either trip please let me have your email address. My email is david@dbj.org.uk and my phone number is 01754 611899

We will also need to sort out car sharing and car parking a little nearer the time
