

Message to Organisers of North Midlands Cross-Country League, please:

After five decades of entering Holbeach AC and now Boston AC runners in the North Midlands League we are unfortunately unable to take part this year because of dwindling numbers and high cost of transport from the Lincolnshire Coast to the Midlands and back.

We have very much appreciated being part of the NML and our runners have gained invaluable experience from competing against some of the best runners in the Midlands over the testing courses.

MANY THANKS FOR EVERYTHING!

Richard Anderson (i/c X-Country, BADAC)
