

**BOSTON AND DISTRICT ATHLETIC CLUB**  
**CHRISTMAS FUN RUN**

Sixteen athletes participated in the fun run dressed as Santa or with reindeer ears and red noses.

Emma Penson and Dad Geoff Johnson along with Lisa Broughton led the field from the start to the finish. Oliver Simmonds, Lisa Hardy, Helen Kirk, Charlie James, Peter Chambers and Judy Drury all kept good pace in the cold windy conditions. Michelle Leates ran round pushing baby George in his pushchair whilst Husband Andrew struggled to keep up with six year old James. Bringing home the field was Fat Santa (with his cushions stuffed in his shirt) Diogo Egas and his two little helpers Georgia Ward and Charlotte Kirk.
