

CHRISTMAS WALK

We are having another Christmas Walk. It will be on Sunday the 28th December. The start (& finish) is in Mareham le Fen near the Church. We plan to start walking at 10am prompt, so please arrive before this time. The distance will be about 12 miles. Bring a packed lunch with you and suitable footwear because it may be muddy underfoot although there are quite a few road sections on country lanes. Everyone is welcome on the walk.

The start point can be reached from the A155 by turning North on to Horncastle Road. After about 400m you pass the church and the road does a gentle left then right, turn left here onto Field Side and immediately on the right is the football ground where we are to park.
