

23<sup>rd</sup> November 2025

Lincolnshire Cross Country League. We had just two representatives at the first Lincolnshire Cross - Country League match at Stroxtun near Grantham on Sunday. It was a bright dry day but after the recent heavy rain the underfoot conditions were wet and muddy. Both runners finished in their highest ever Lincs. League position and despite the low turnout on the day are to be congratulated on good performances in their first 2025 - 26 competition over the country. In the Senior Mens race over 8640 metres Oli Lanniman crossed the finish line in an excellent third place in a time of 36 mins.40 secs. Emma Pension contested the Senior /Veteran Women's challenge over 6078 metres and entered the finish funnel in a splendid fourth position recording 35 mins.55 secs. Hopefully Boston and District A.C. will have more runners at the next Lincs. League match which is at Louth London Road, on Sunday December 7th with races for all age groups from Under 11 Boys and Girls upwards. Check the race details with Nanette.
