

Lincolnshire 2025 - 26 County Cross Country Championships.

Happy New

Year. Four Boston and District Athletic Club members contested the Lincolnshire Cross Country Championships held at Biscathorpe on Sunday (Jan, 4th.). Over a challenging, hilly course which included river crossings and running on rock hard frozen surfaces in cold but bright conditions our four representatives all gave a very good account of themselves. In the "Blue Ribbon" event the Senior/Veteran Mens race over 9.5k. Ollie Lammiman finished in twelfth position overall recording 40 mins. 48 secs.. In the final analysis when the age categories were segregated Ollie was placed ninth in the Senior Mens Championship. James Roark entered the finish funnel eighteenth (41 mins. 50 secs.) just over a minute behind Ollie to claim twelfth position in the Senior Mens category. The third member of the trio of "Gold Tops" to finish was Olli Tiainan who clocked 45 mins .45 secs. in twenty eighth position to claim fifth place in the Veteran Mens 45 age group. In the Senior /Veteran Womens event held over a distance of 5.7 k. Emma Penson recorded 34 mins. 03 secs. in fifteenth place just missing out on the medals by claiming fourth position in the 2025 - 26 Veteran Womens 45 Championship. Sadly we had no representatives in either the Under 11, Under 13 , Under 15 , Under 17 or Under 20 County Championship events this year..
